BOLD 2024 PREDICTIONS • APPOINTMENT POWER • WOMEN'S CHOICE

Focus on
DESIGN

Capel

Cairo is a machine-made collection in four colors, woven on Wilton looms in Egypt. Dimension, texture, and rich hues are abundant in these contemporary designs inspired by the City of Cairo. Made of 75% Olefin and 25% Polyester yarns for easy care.

Contact information on page 64.

Country View Woodworking

One of 11 handcrafted dining sets in the new "Make-It-Your-Way" express ship program. In addition to 11 table styles, there's a choice of table top shape, edge profile, pedestal or leg design and chair. Five species and many fabric selections are available.

Contact information on page 64.

Panama Jack

From the Cabo Collection, this grouping is made of kiln-dried Acacia wood in a Honey finish with weather-resistant Polyester cushions. Contact information on page 64.

Omnia

Drawing strength from its Italian roots, the Ponza is crafted in America. Configured in any size, it's one of six dynamic styles in the Bergamo Collection featuring three seat width options. Always 100% top grain leather. **Contact information on page 64.**

A&L Furniture

42" round hickory bar table with panel back swivel bar chairs. **Contact information on page 64.**

HTD

The Bogart 30" Ebony Black Leather Modern Armchair features sleek ebony black leather and a modern design. **Contact information on page 64.**

Focus on
DESIGN

Whittier Wood

The classic Sheepskin Arm Chair features natural, one-of-a-kind, premium sheepskin that adds warmth and beauty to Whittier Wood's Catalina Bedroom Collection.

Contact information on page 64.

Craftmaster

Craftmaster's new Helena sofa (style 7360) features a dramatic curved front and a unique padded arm treatment. Covered in a rich, cozy chenille body fabric creating true comfort and luxury for today's upscale consumer.

Contact information on page 64.

Furniture of America

The Mossley is shown in an ivory colored fabric that wraps around an English sofa frame with low rolled arms and pleated curves. The loose pillow backs and cushion seats are trimmed with matching welting. Contact information on page 64.

Nourison

The Christopher Guy wool and silk collection combines spectacular textures, unmatched quality and craftsmanship with artistic style. Each contemporary rug features top quality New Zealand wool with designs highlighted with silk. **Contact information on page 64.**

Patiova

VaraMora is a new brand of deep-seating, modular outdoor poly furniture. Handcrafted by Amish artisans in Central PA, each piece marries durability with inviting comfort. **Contact information on page 64.**

Simply Amish

The Nolan Bedroom has an avant garde flare designed for timeless appeal. Its Aspen Panel Bed is constructed out of responsibly harvested solid northern hardwoods, hand-crafted and hand-finished in a limited choice of woods and finishes.
